

General Camp Sunday Ideas

In general, make Camp Sunday feel special. Honestly, every person in your church can be a part of camp. We need prayer partners, encouragers and folks to help get children and youth to camp. Here are some specific ways to make camp Sunday Extra Special:

- Invite previous year(s) campers to help promote camp Sunday. Campers & Volunteers can be ushers and/or greeters. If they have a camp T-shirt that can be a fun way to recognize them as camp attendees.
- Ask Campers/Volunteers to share with the congregation why they invest time in their camp experience. You could 'interview' campers/volunteers as part of Sunday Services.
- Have Campers sing a camp song.
- Develop a children story message about Christian camp.
- Have a Q & A time with parents. We could do this via speaker phone or skype if you would like Gretna Glen to participate.
- Have campers bring in their camp pictures from previous years and display them for the day.
- Ask your campers and volunteers what ideas they have for promoting camp.
